Scale of the organization	<i>Small scale, 1 - 5 volunteers</i>
PIC number	
Aims and activities of the organisation	
Role of the organisation in the project	<i>project leader or project partner</i>
Previous EU grants received	

## Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	<i>cultural heritage, visual arts</i>
Description or summary of the proposed project	<p>The proposed project aims to organize exhibitions and publications that showcase artists of Ukrainian national (folk) art (<b>Petrykivka painting</b>) from Ukraine and other countries, fostering cultural exchange and supporting emerging talents.</p> <p>The organization coordinates the selection of artists through open calls and competitions, ensuring a diverse and representation of Ukrainian national (folk) art (Petrykivka painting). The project also involves the publication of curated catalogs and promotional materials to give artists additional visibility and connect them with broader audiences.</p> <p>To achieve these goals, the foundation actively seeks partnerships with galleries, curators, and other cultural institutions. By collaborating with international partners, we aim to create a platform for artistic dialogue, build networks for creative professionals, and promote the works of talented folk artists on an international scale. This initiative aligns with our mission to support and promote the Ukrainian national (folk) arts (Petrykivka painting) while encouraging global collaboration to open it through the prism of local artistic trends in other countries and show the whole world that folk art can be stylish.</p> <p>We have an art residency in a picturesque house surrounded by a pine forest, where we hold open call and artist exchange programs.</p>
Partners currently involved in the project	-

\* By answering "yes" you confirm that the information provided can be shared publicly by the Creative Europe Desks in the countries participating in the Creative Europe programme, in order to support your search for partners.
