Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	<i>Music, theater, performing arts, education</i>
Description or summary of the proposed project	<i>In July 2025, we are going on a Paris-Vienne tour which will cross Belgium, Germany, Austria, Czech Republic, Italy and Switzerland. We wish to play everywhere it's possible, thanks to the stage truck, its grand piano, and a 9 artists team (musicians, actors, singers, photographer...). We hope to collaborate with local structures to imagine shows and organize performances in new places, notably in rural areas. We would like to connect a large cooperation network working to make music heard in as many places as possible and to reinvent musical show.</i>
