PIC number	902735254
Aims and activities of the organisation	<p><b>Description of organisation</b></p> <p>MENTOR is a cultural management and production company, founded in Eleusis, Greece, in 2014. We invest in the development of synergies with public and private bodies and professionals in the cultural and creative sector, as well as with the academic and research community at national and international level, while aiming to bridge art, culture, cutting edge technologies and science.</p> <p>We design, coordinate, implement and support contemporary culture initiatives and research projects that focus on sustainable development through contemporary artistic creation, re-use of public space, new technologies in culture, extroversion, community and audience participatory processes.</p> <p>We collaborate with Universities, research institutions, artists, academics, community groups, public authorities, etc. More specifically, our initiatives explore the intersection of contemporary artistic creation, digital culture, social sciences, environmental sciences etc, with extra focus on community engagement, sustainable development of local communities and creating dynamic cultural landscapes.</p>
Role of the organisation in the project	Partner
Previous EU grants received ( <i>If Creative Europe grants, please link to the project via the <a href="#">Creative Europe Project Portal</a></i> )	<ul style="list-style-type: none"> <li>• "<a href="#">Transition to 8: European societies in flux</a>" (TT8) is an innovative project implemented within the Creative Europe framework, that integrates social sciences, technology, and contemporary art, through participatory cultural activities, aiming to raise awareness and mobilise large social groups on the effects of air pollution and its social dimensions. It lays the foundation for an expanded role of art in society, using creativity to promote climate action in line with the EU Green Deal and to advance a reimagined, cross-cultural dialogue on the effects of air pollution. MENTOR is the</li> </ul>

	<p><i>project leader, and will be coordinating the project overall, and supporting partners throughout the project, their task implementation and deliverables. MENTOR will also act as a communications and dissemination partner throughout the whole duration of the program and will provide partners with brand identity guidelines and other communication resources to adapt and share the project in their channels accordingly.</i></p> <ul style="list-style-type: none"> <li>• <a href="#"><i>HERITACT</i></a> (2023-2026): A Horizon project that activates local communities in co-envisioning and co-designing sustainable and innovative solutions for public space and heritage sites. MENTOR is the leader of the pilot city of Eleusis for this project and is mainly responsible for implementing community engagement activities relating to the participatory development of architectural and digital solutions with the community of Eleusis.</li> <li>• "<a href="#"><i>Adáma – community togetherness for a sustainable future</i></a>" (2022) implemented in Eleusis within the framework of the EIT Community New European Bauhaus initiative of the European Institute of Innovation and Technology (EIT). The goal was to develop a sustainable strategy in collaboration with citizens, in order to co-create solutions through participatory cultural initiatives. MENTOR implemented this project with the community of Eleusis from July 1st to November 30th 2022.</li> </ul>
