Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	Cultural Heritage, Digital Transition in the Cultural Sector, European culture and Ecology
Description or summary of the proposed project	<ul style="list-style-type: none"> • The 1st project seeks to establish a transformative and sustainable model of ecological and cultural enhancement across Europe, with particular focus on integrating green initiatives into the management of cultural heritage and fostering international collaboration. By developing green partnerships, the project will support local communities, cultural institutions, and environmental organizations in creating sustainable and culturally enriching experiences that align with the European Union's goals for sustainability and cultural preservation. • The 2nd project aims to facilitate the digital transition within the cultural and ecological sectors by fostering international collaboration across Europe. In the face of the rapid technological advancements and the ever-growing need for sustainable practices, the project seeks to empower cultural institutions, municipalities, and organizations to enhance their digital infrastructure while promoting cultural exchange and ecological responsibility. Through a series of innovative digital solutions, the project will create new platforms for cross-border cooperation, strengthening ties among European countries and

	supporting the shared values of sustainability, digital inclusion, and cultural heritage preservation.
