Aims and activities of the organisation	Rencontres Audiovisuelles is a French non-profit organization based in Lille, France, dedicated to the promotion of audiovisual culture and education or creative practices such as video mapping. The association organizes major festivals such as the International Short Film Festival and the Video Mapping Festival, as well as numerous actions to promote short films and visual literacy throughout the Hauts-de-France region.
Role of the organisation in the project	Lead coordinator – responsible for overall project management, consortium coordination and key deliverables.
Previous EU grants received	RAV is a partner in several EU-funded projects: - Co-Vision (Europe Creative) - VIDEOMAP (Interreg France-Wallonie-Vlaanderen) - Cinematomeia (Erasmus+) RAV has received a ESF+ grant for training young people in the Hauts-de-France region for careers in emerging visual technologies.

Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	Cultural and creative sector: video mapping, digital arts
Description or summary of the proposed project	EuroCanvas is a European cooperation project focused on structuring and developing the European video mapping field while addressing global challenges such as environmental sustainability, gender equality, and digital transition. Over 30 months, the project will connect artists, communities, and organizations to create inclusive, eco-conscious cultural experiences. Through residencies, workshops, public exhibitions, and international networking events, EuroCanvas will foster

	innovation, promote diverse and emerging talents, and strengthen Europe's cultural and creative sectors in addressing societal challenges.
Partners currently involved in the project	- Agencia Andaluza de instituciones Culturales (AAIICC), Spain - ARCUB, Romania
