Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	Performing arts / Arts and technology
Description or summary of the proposed project	<p>In collaboration with theatre ensembles from across Europe we want to experiment with and develop the artform of</p> <p style="text-align: center;">Digi Drama</p> <p>Meaning a whole new hybrid artform in the space between theatre and cinema, written and produced for live streaming on the internet.</p> <p>The participating ensembles will each produce two pieces during the project period. Between the two productions, the partners will run a joint competition calling for manuscripts written especially for this format. The second production will be based on manuscripts from the competition.</p> <p>The project is primarily an artistic experiment in digitalization of stage performances / live cinema. Secondly a tech-production adapting a suitable streaming platform for the purpose. By including partners from several countries, we wish to make the experiment as broad and diverse as possible.</p>
Partners currently involved in the project
